

MAKE YOUR MARK

MEASURING WHEELS

PAINT APPLICATORS

Measure and mark simultaneously with **RRPA18** and **RRPA182**. These lightweight tools feature a trigger just under the pistol grip. Engaging the trigger fires off a burst of upside-down spray paint precisely where it's needed.

You can measure and mark alone, and you can work more quickly than 2 or 3 people with a tape measure and spray gun.

FEATURES

- Pistol grip and trigger to spray paint exactly where you want it.
- Weather resistant housing protects the counter.
- Precision wheels molded from high-grade ABS, providing a lifetime of accurate measuring.
- Paint can sleeve fits all standard US-style inverted aerosol paint cans.

EASY-TO-READ COUNTER

5-digit, easy-to-read, magnified counter that measures 9,999 feet, 11 inches without resetting—that's almost two miles!

Limited lifetime warranty.
