## Magnetic Locators

Improved water resistance and mechanical life are provided by our new direct contact switching with the PC board. Enjoy enhanced functioning, reliability, and maintenance for all CST locators.

Our Magna-Trak magnetic locators take technology one step into the future by including a multitude of convenience features such as an LCD visual display and/or audio tone, a lightweight, easy-grip design, and water resistant cases.

Magna-Trak locators also feature easy battery access and outstanding battery life, and they're backed by a 5-year warranty! Plus, our electronic balancing procedure allows balancing to be done quickly and efficiently and all of our manufacturing is done right here at CST to ensure quality control. The latest technology doesn't have to cost a lot. Get the best performance and the best value with a Magna-Trak locator.

**7** Year  
Warranty
