

24" Magnetic Heavy Duty Aluminum Box Level

Model #: 9550-2400
UPC: 049448955020

The workhorse of our level line, Johnson's 9550 levels are versatile enough to tackle any job, from rough carpentry to finish carpentry. The levels feature heavy-duty aluminum frames for strength and durability, and push-button removable endcaps for flush work. Strong rare earth magnets hold the level securely in place on ferrous surfaces.

APPLICATION

The 9550 is strong, lightweight, and durable, making it suitable for any job from rough carpentry to finish work. Its strong magnets make it the ideal choice when working with steel studs or door frames. When working with wood studs or doorways, consider the non-magnetic 9850.
