

LONG TAPES CLOSED CASE FIBERGLASS

MC SERIES

"This is it! If you work with a tape measure every day, this is the tape. It's accurate and reliable. I have been working with one for the past 12 years."

Appraiser, Scott

We know that blade protection is key to a long tape life. Our metal case (MC) keeps the blades safe. These long, fiberglass tapes have a compact, closed metal case that fits nicely in your hand. The flush-folding crank pops up for easy rewinding. If you're measuring alone, the metal catch hook is set at zero, so there's no need for a correction. These are very popular with users that primarily do interior measurements.

FEATURES

- Heavy-duty blades with 40,000 strands of fiberglass ensures a long life under the most demanding field use.
- Stretch-resistant, extremely resilient.
- Closed, metal housing protects the tape.
- Blade is 1/2-inch.
- The crank handle is metal to provide years of rugged use.
- Double-throat rollers guide the blade return and prevent the tape from twisting.

MODEL	UPC 052837	LENGTH	UNITS	ZERO POINT	ATTACHMENT	BLADE*
MC1850	000104	50 ft.	ft, in, 1/8	Hook End	Hook	F31
